

Bulking Division

ENERGISING OPPORTUNITIES

The Bulking division operates five (5) liquid bulk terminals of which three (3) are located in North Port in Port Klang and two (2) in Butterworth. Presently, these terminals have 271 tanks with a combined storage tank capacity of 275,190 MT and can handle a wide range of liquid cargoes ranging from palm oil products to latex concentrates, oleochemicals to specialty oils, as well as petroleum products, industrial chemicals and technical fats.

These terminals also provide storage facilities for import and export, transshipment, containerization, local dispatch, heating, nitrogen blanketing and drumming of liquid products. Other services provided by the Bulking division include customs declaration, freight forwarding, break-bulking, trucking and related logistics businesses.
